Re: Land Referral file #6407922 - Kevin McCreery and Gail Burnett, application for expansion of existing farm property for extensive agriculture

Dear Ms. Williamson,

According to the maps of the Agricultural Development Areas (ADA) agreed to during the Agriculture/Wildlife project, the area covered by this application is listed as an ADA. This proposal is therefore consistent with the Land And Resource Management Plan (LRMP) and associated planning documents. The BVCRB therefore has no objections to this application.

Sincerely,

Adrian de Groot
Chair, Bulkley Valley Community Resources Board
