Re: File No. 6408191

Dear Ms Anderson

The Bulkley Valley Community Resources Board (BVCRB) has reviewed the above listed Agricultural referral. The parcel of land in question lies within what has been zoned for Agriculture Development along with Wildlife Habitat under the Bulkley Valley Sustainable Resource Management Plan. As such, the value of this parcel for wildlife habitat should be assessed, by the Ministry of Environment, and the results of this assessment should be considered in the approval process.

If you have any questions, please contact the undersigned.

Yours truly,

Greg Storie
Chair, Bulkley Valley Community Resources Board
