Dear Adrian

The attached paper entitled **Seniors and ATVs** is our response to the recent letters and presentations made by local seniors advocating use of ATVs in non-motorized areas.

We feel it's important to address this issue and to sort out who should be represented in the proposal.

Thank you for the opportunity to contribute to the discussion of important recreation issues.

You will notice our new name. We have recently incorporated as a registered Society and our previous name, Outdoor Recreation Alliance, was not available.

Yours truly,

Jim Easterday
