

**West Fraser Mills Ltd. Pacific
Inland Resources Division
Morrison Connector Road**

West Fraser Mills Ltd Pacific Inland Resources Division is proposing to construct a short section of road, approximately 600 m in length just south of Acorn lake, connecting the 459 Road located in the Bulkley TSA with the Morrison Main located in the Morice TSA.

A map of the proposed road location will be available for review and comment during normal business hours (8:00 am -4:30 pm) at Pacific Inland Resources office on Tatlow Road in Smithers. Alternative meeting times can be arranged by contacting Pacific Inland Resources staff listed below.

To ensure comments receive consideration they must be submitted in a written format prior to March 15, 2014 and delivered to:

West Fraser Mills Ltd.
Pacific Inland Resources Division
Box 3130, Smithers, B.C. V0J 2N0
