RE: LETTER IN SUPPORT OF THE BULKLEY VALLEY SUMMER RECREATIONAL
ACCESS MANAGEMENT PLAN

Honorable Christy Clark,

The Bulkley Backcountry Ski Society would like to express their support for the Summer RAMP (Recreational Access Management Plan) process that is taking place in Smithers over this winter.

Recommendations regarding recreational access to Crown Lands of the Bulkley Valley will result from the efforts of the dozen volunteers who are currently serving on the RAMP committee, representing the views of both motorized and non-motorized recreationists.

LRMPs (Land and Resource Management Plans) and OCPs (Official Community Plans) bring harmony and certainty to land-use; so, too, will a completed RAMP.

Sincerely,

Leanne Helkenberg
Acting Chair, Bulkley Backcountry Ski Society

Terry Lake, Minister of Environment
