

# Regional Access Management Plan

The Recreational Access Management Plan (RAMP) has been submitted to government as recommendations. The Bulkley Valley Community Resources Board would like to acknowledge those who made this process possible.

Thanks to the members of the RAMP table committee, who invested countless hours to create a balanced plan for recreation in the Bulkley Valley.

Thanks to our sponsors, the Real Estate Foundation of B.C., Smithers Exploration Group and Wetzin'kwa Community Forest, without whom the process would not have been possible.

In particular, a special thank you to our facilitator, Tom Chamberlain.

For more information or to download a copy of the RAMP, visit [www.bvcrb.ca](http://www.bvcrb.ca).
