Re: File No.'s Rec. 98167, 98169, 98171, 98173

Dear Mr Eskelin:

The Bulkley Valley Community Resources Board (BVCRB) has reviewed the above listed recreation referrals and finds that they are all considered to be consistent with the Bulkley Valley Land and Resource Management Plan and existing recreational access management agreements.

The BVCRB is currently trying to develop a Recreation Access Management Plan for the Bulkley TSA. It is felt that this plan is necessary to guide decisions on the approval of recreation projects, such as the ones listed above, and to help reduce recreational use conflicts in the future.

Yours truly,

Greg Storie
Chair, Bulkley Valley Community Resources Board
