

Enjoy the backcountry?

Help create a summer Recreation Access Management Plan for the Bulkley Valley

A Recreation Access Management Plan (RAMP) seeks to reduce conflict between recreation user groups through area designations and use agreements.

The Bulkley Valley Community Resources Board is currently facilitating a RAMP process for summer backcountry recreation in the Bulkley Valley. This includes both motorized recreation such as ATVing and non-motorized recreation such as hiking.

The RAMP will involve all of the major outdoor recreation clubs and associations, as well as members of the public, and will be guided by a professional facilitator. A selection committee is currently seeking applications from six representatives from outdoor recreation clubs/associations and six members of the public at large who wish to participate in the RAMP process. Meetings will occur between September and December 2011.

The Bulkley Valley RAMP will contribute to a pilot project in the implementation of the BC Government's Provincial Trails Strategy.

Funding for the RAMP process generously contributed by Recreation Sites and Trails BC and the Real Estate Foundation of BC, with additional support provided by the Bulkley Valley Research Centre and Northwest Community College.

Public info session

Learn more about the RAMP process, what is required of participants, and how you can get involved:

Thursday, June 30, 2011

Northwest Community College, Smithers Campus
7:00 pm

Apply to participate

To apply to participate in the RAMP process, download the application form at www.bvcrb.ca

Email your completed forms to ramp@bvcrb.ca or mail them to PO Box 985, Smithers BC, V0J 2N0.

Application deadline: August 19, 2011
